**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

DOCKET NO. 2019-151-E - Application of Dominion Energy South Carolina, Incorporated for Approval of a New "Rider to Retail Rates - Economic Development Rider" (EDR Tariff) - Staff Presents for Commission Consideration Dominion Energy South Carolina, Incorporated's Request for Approval of New "Rider to Retail Rates - Economic Development Rider (EDR)" Tariff.

**COMMISSION ACTION:**

Dominion Energy South Carolina is seeking approval of an Economic Development Rider to Retail Rates Tariff. According to Dominion (formerly SCE&G), this Rider provides Economic Development Incentive Credits and is available under certain conditions to non-residential customers taking service under the Company's rate schedules 20, 21, 23 and 24.

These credits provide discounts to qualifying Customers' bills applicable to Basic Facilities Charges, Demand Charges, and Energy Charges.

The Rider proposed is based on feedback from stakeholders in the economic development process and is designed to provide more clarity and transparency with respect to the rate benefits the Company can offer to business prospects in the state.

The Office of Regulatory Staff recommends approval.

After review of this matter, I move that we approve the Economic Development Rider Tariff. The EDR Tariff does not require a determination of the utility's entire rate structure and overall rate of return and does not result in any rate increase to the Company.
